

1 The Company

Founded in December 2005 in Idaho Falls, Idaho
 Officially launched in August 2007
 Millions of dollars in combined investor assets!
 Positioned for long-term success!

Natures Blueprint For Better Health

2 The Industry

- The U.S. Health & Wellness Industry was over \$400 billion in 2008
- Today's health challenges are becoming epidemic and Kyani targets these problems.
- The Health and Wellness Industry is predicted to become the next Trillion Dollar Industry and one of the greatest entrepreneurial opportunities in history.

3 The Products

Kyani Sunrise - A super antioxidant blend of wild Alaskan blueberries, cranberry, wolfberry, noni, pomegranate, daily vitamins and trace minerals
Kyani Sunset - An Omega3 powerhouse pill from pure wild salmon enhanced with vitamin E from tocotrienols, nature's greatest source
Kyani Nitro FX - Utilizes the best part of the Noni plant to maximize the production of nitric oxide (NO)
